Lauren Castellano

Instructional Designer and Corporate Trainer

ABOUT ME

Instructional designer moving into corporate learning after eight years teaching high school chemistry, with a completed instructional design certificate and three e-learning modules built in Articulate Storyline. Designed the district's online lab safety course for new staff, now required for 60 employees a year.

WORK EXPERIENCE

Chemistry Teacher and Science Department Training Lead August 2018 - present

Ridgemont High School, Scioto Plains Local Schools

- Plan and teach five chemistry sections (130 students a year), from objectives to assessments and grade data.
- Built the district's online lab safety course for new staff in Rise 360; completion rose from 64% to 97%.
- Run six after-school workshops a year for 40 teachers on Canvas grading, rated 4.7 of 5 on exit surveys.

Instructional Designer (summer contract) June 2025 - August 2025

Brightwater Federal Credit Union

- Turned a 40-slide teller onboarding deck into a 25-minute Storyline module with a scenario quiz.
- Rolled it out to 3 branches; new tellers reached their first solo shift four days sooner on average.

EDUCATION

Ohio University

August 2014 - May 2018

Bachelor of Science in Education, Integrated Science

PORTFOLIO

Three e-learning samples: onboarding, compliance and software training

Each with a needs summary, a scenario-based module and a one-page job aid.

CERTIFICATES & COURSES
