Work Experience

Journeyman Electrician, Crew Lead

Hill Country Electrical Contractors | 03/2022 – present

- Lead crews of 2 to 4 on tenant finish-out, service upgrades and panel work in offices, shops and restaurants.
- Set a 1,200A service and switchgear for a 40,000 sq ft medical office; passed final inspection first time.
- Wrote a rough-in checklist for crew walk-throughs; failed inspections went from 6 in 2022 to 1 in 3 years.
- Troubleshoot motor controls, VFDs and lighting controls on service calls; 9 in 10 fixed on the first visit.

Electrical Apprentice

Brazos Bend Electric | 01/2018 – 02/2022

- Completed a four-year registered apprenticeship with classes in the NEC, motor controls and print reading.
- Pulled wire, set boxes and terminated devices on 30 commercial jobs, up to a three-story school addition.

Education

Registered Electrical Apprenticeship, related classroom training
Central Texas Electrical Apprenticeship School | 01/2018 – 02/2022
