

Nadia Petrosyan

Logistics and Supply Chain Analyst

nadia.petrosyan@email.com (555) 016-3308 Dearborn, MI

ABOUT ME

Supply chain management graduate (Michigan State University, May 2026) with a summer internship in distribution operations, where a new pick-path layout saved about 6 labor hours a week. Looking for an entry-level logistics analyst or operations coordinator role in the Detroit area.

WORK EXPERIENCE

Distribution Operations Intern

May 2025 - August 2025

Great Lakes Provisions Co.

- Mapped pick paths in a 180,000 sq ft distribution center and re-slotted 400 fast-moving items.
- The new layout cut average picker travel by 11% and saved about 6 labor hours a week on day shift.
- Built an Excel tracker for late inbound trucks that the receiving supervisor still opens every morning.

Shipping and Receiving Associate (part-time)

September 2023 - April 2026

Red Cedar Outfitters

- Checked 30 to 50 inbound cartons a shift against purchase orders in NetSuite, 15 hours a week in school.
- Spotted a vendor's repeated short shipments and flagged them; the store recovered \$3,200 in credits.

EDUCATION

Michigan State University

August 2022 - May 2026

Bachelor of Science in Supply Chain Management, GPA 3.4

SKILLS

Technical Skills: Excel and Power Query, SQL, Python, NetSuite, SAP S/4HANA (coursework), Power BI, Inventory control, Warehouse slotting

PROJECTS

Senior capstone: inventory policy for a regional hardware distributor

Four-person team; our reorder-point model in Excel and Python cut modeled safety stock by 14% at the same fill rate.
