NextGen

Work Experience

Medical Assistant

Desert Willow Family Medicine | 06/2021 – present

- Room 22 to 28 patients a day for two physicians: vitals, histories, medication lists and EKGs.
- Draw blood and run point-of-care tests (A1c, strep, urinalysis), logging results in athenahealth.
- Built a next-day chart prep checklist; charts ready before the visit rose from 70% to 98%.
- Give vaccines under standing orders; flu shots given at the clinic grew from 610 to 940 a season.

Medical Office Assistant

Canyon Ridge Pediatrics | 08/2019 – 05/2021

- Checked in about 60 patients a day, verified insurance and booked follow-ups in NextGen.
- Called every patient two days before the visit; the no-show rate fell from 14% to 8%.

Education

Medical Assisting Diploma, CAAHEP-accredited program with a 160-hour externship
Sonoran Valley Career Institute | 08/2018 – 06/2019
