

Jasmine Tran

Certified Pharmacy Technician, Inpatient and IV Room

jasmine.tran@email.com (555) 015-2738 Aurora, IL

ABOUT ME

Certified pharmacy technician (CPhT, PTCB) with six years in retail and hospital pharmacy, registered in Illinois and CSPT certified for sterile compounding. Prepares 60 to 80 IV admixtures a shift and cut late first doses on the ICU from 14% to 5% of orders.

WORK EXPERIENCE

Pharmacy Technician, Inpatient and IV Room

September 2022 - present

Fox River Regional Medical Center

- Compound 60 to 80 IV admixtures a shift in a USP <797> cleanroom, including TPN and pediatric syringes.
- Restock 24 Pyxis cabinets on 6 units from daily reports; monthly stockouts fell from 30 to 9.
- Set up a first-dose batch schedule with the ICU; late first doses fell from 14% to 5% of orders.
- Train new IV-room technicians in aseptic technique; all 5 passed media-fill testing on the first attempt.

Pharmacy Technician

June 2020 - August 2022

Prairie Street Pharmacy

- Entered and filled 250 to 300 prescriptions a day and resolved insurance rejections at the counter.
- Took over the prior authorization queue; average time to approval fell from 6 days to 3.
