

Priya Raman

Registered Nurse, Medical-Surgical and Telemetry

priya.raman@email.com (555) 017-4432 Houston, TX

ABOUT ME

Registered nurse with five years on a 32-bed med-surg and telemetry unit, licensed in Texas and certified in medical-surgical nursing (MEDSURG-BC). Led the fall-prevention project that cut falls with injury from eight to three in a year. Looking for a day-shift telemetry or step-down position.

WORK EXPERIENCE

Registered Nurse, Medical-Surgical and Telemetry

June 2021 - present

Bayline Community Hospital

- Care for 5 patients a shift on a 32-bed unit (post-operative, cardiac, diabetic), most on continuous monitoring.
- Led the fall-prevention project (scripted hourly rounding, bed-alarm checks at handoff); falls with injury fell from 8 to 3.
- Precept new-graduate nurses through a 12-week orientation; all six nurses precepted so far finished it on schedule.
- Relief charge nurse two shifts a month, making assignments for 7 RNs and 3 patient care technicians.

Registered Nurse, Nurse Residency Program

August 2019 - May 2021

Kestrel Valley Medical Center

- Completed a 12-month nurse residency on a 28-bed medical unit, then carried a full five-patient assignment.
- Wrote a one-page teach-back checklist for discharges that the unit adopted; its discharge-teaching audit score rose from 72% to 91%.
